

## **MBRS RECEIVES TOP NATIONAL AWARD FROM 'FUTURE 50 SCHOOLS SHAPING SUCCESS'**

Miles Bronson Residential School (MBRS), a premier co-ed boarding school of Guwahati city has been recently conferred with the award of recognition as one of the top 50 schools across the country by Future 50 Schools Shaping Success. In a majestic ambiance, the award was received by Smt. Nandini Dutta, Secretary, Miles Bronson Education Society, Guwahati along with Miss Henaa Dutta, Counsellor, Miles Bronson Residential School, Guwahati at The Grand Hotel, Vasant Kunj, Delhi on 6<sup>th</sup> October, 2017 in the august presence of many distinguished guests and dignitaries.

The “Future 50 - Schools Shaping Success” Certification has been accredited to MBRS for its uniqueness to prepare students for the 21st century with the vision to craft 'Student Success' and also for being a progressive school with remarkable school curricula. Another dimension of this recognition of MBRS is its scientific evaluation and exemplary best practices.

Future 50 Schools Shaping Success is a first of its kind certification powered by Fortune India and Univariety. The initiative aims to recognize the efforts put in by schools in formulating students careers. It was conceptualized to create a platform for schools for collaborative learning and sharing. What sets it apart is that it is not an event but a yearlong process to help schools reach newer heights and further improvise on ensuring student success.
