

MBRS IS CONFERRED WITH LEADING BOARDING SCHOOL AWARD BY ICONS OF LEARNING, SINGAPORE

Miles Bronson Residential School (MBRS), a premier co-ed boarding school of Guwahati city has been recently conferred with Leading Boarding School Award and Dr. N. K. Dutta, Founder and Principal, MBRS has been conferred with Distinguished Educationist Award by Icons of Learning at Singapore on 9th November, 2017. This prestigious accreditation has been granted to Miles Bronson Residential School for its unique ecosystem of teaching and learning for optimum benefit of students. The main objective of the conclave was to recognize the pioneering educational institutions as well as leaders which have provided ample opportunities to their students to learn from Global Programmes & Exposures, Skill Development and to prepare themselves for future jobs & prospects.

Dr. N. K. Dutta, Founder and Principal, Miles Bronson Residential School, Guwahati who has won the 'Icon of Learning' award as Distinguished Educationist said at an interview conducted by Financial Express and Business Standard: "Our students are taken on field trips, excursions and given hands-on training. A life skills development centre has been set up at the boarding school, which is one of its kinds in the Northeast region". Dr. Dutta stressed on getting students to live on campus and focus on courses that are no longer confined to the precinct of four walls of classrooms and text books. This significant recognition has escalated the reputation of MBRS to the next benchmark and also has brought infinite laurels to the city as well as entire NE.
